Martin's Lookout is an unfenced view on the rim of the plateau, south of Valley Heights. There are views across and up the Glenbrook Creek, and to the Lost Worlds lookout (on the opposite cliffs) which features a small white crucifix. This cross is in memory of Rev. Raymer who was an avid bushwalker in the area. The plaque in the rock at Martin's Lookout is directly opposite this cross.

(530 m 26 mins) Turn left: From Martins Lookout, the track heads south-east around the rocky knoll, with the views to the right of the track. The track quickly comes off the sandstone surface and descends stairs which zigzag under the cliffs. The walk passes under many overhangs, some of which overhang the track as it makes its way down the hillside. Tightly winding its way down the hill, the track descends a final flight of stairs to the signposted intersection.
