Before You walk

Bushwalking is fun and a wonderful way to enjoy our natural places. Sometimes things go bad, with a bit of planning you can increase your chance of having an enjoyable and safer walk. Before setting off on your walk check

1) Weather Forecast (BOM Hunter District)
2) Fire Dangers (Greater Hunter)
3) Park Alerts ()
4) Research the walk to check your party has the skills, fitness and equipment required
5) Agree to stay as a group and not leave anyone to walk solo

Think before you TREK

The ‘Think before you TREK’ program developed by NSW Police & NPWS promotes the benefits of planning ahead for your bushwalking trip by using an easy to remember acronym:

T - Take adequate supplies of food, water, navigation and first aid equipment.
R - Register your planned route and tell friends and family when you expect to return.
E - Emergency beacon (PLB’s) should be carried on walks with significant gaps in mobile coverage (check terrain profile).
K - Keep to your planned route and follow the map and walking trails.
