

## Wentworth Falls Lookouts Loop

**1 Hr**

**1.7 km Circuit**

**Hard track**

**191m**

This walk captures three of the best lookouts along this line of cliffs - Denfenella, Princes Rock and Wentworth Falls Lookouts. The walk between these lookouts is generally not too hard, allowing you to thoroughly enjoy the superb views.

749m

Blue Mountains National Park

### **Are you ready to have fun?**

Please ensure you and your group are well prepared and equipped for all possible hazards and delays. Check park closures, weather information and Fire Danger Rating before setting out. Optional side trips and alternate routes noted are not included in this walks overall grade, length or time estimate. Please allow extra time for resting and exploring areas of interest. The authors, staff and owners of wildwalks take care in preparing this information but will not accept responsibility for any inconvenience, loss or injury you may experience. Please take care, have fun - Happy Walking.

**Getting there** You can get to Wentworth Falls Lookout (gps: -33.7259, 150.372) by car or bus. Car: There is free parking available. This is a circuit, so you will finish back at the start.

Find up to date and more information including; travel directions, weather, park closures and walker feedback at <http://wild.tl/wfll>

### **0 | Wentworth Falls Lookout**

Wentworth Falls Lookout, in the Blue Mountains National Park, is beside Sir H Burrell Drive. The lookout is fenced and has a large information sign about the area. There are some bench seats and great vistas. There is a view to Wentworth Falls (in the valley to the left), but the most captivating view is across the Jamison Valley to Mount Solitary. There are also great views of the Kings Tableland (left), Sublime Point (right) and Narrow Neck (far right) escarpments. This is a great place to enjoy the scope of this World Heritage listed area.

### **0 | Wentworth Falls Lookout**

*(180 m 5 mins)* From Wentworth Falls Lookout (next to Sir H. Burrell Drive), this walk follows the 'Princes Rock Lookout' sign down the log stairs. Soon the track passes an old water trough on the right (not suitable for drinking). Soon after this, the track comes to a 'T' intersection, with a post pointing back up to 'Wentworth Falls Lookout'.

Turn right: From the intersection, this walk heads up the steps, following the 'Car Park' arrow. The track soon passes a sign pointing back to 'Princes Rock Lookout' and comes to the footpath on the side of Sir H. Burrell Drive.

### **0.18 | Int of Sir H. Burrell Drive and Princes Rock Track**

*(140 m 2 mins)* Turn left: From the top of the steps, this walk follows the footpath against the flow of traffic, keeping Jamison Valley to the left. Soon the footpath leads past the information sign to the fenced and signposted Jamison Lookout (and great views).

### **0.32 | Jamison Lookout**

The recently renovated Jamison Lookout is on Sir H Burrell Drive, in the Blue Mountains National Park. The lookout has a wonderful view to the south, down the Jamison Valley to Mount Solitary and beyond. This is a great wheelchair-accessible viewpoint with a large information sign and bench seats. The lookout is fenced, and is located just below the Wentworth Falls Picnic Area.

### **0.32 | Jamison Lookout**

*(380 m 9 mins)* Continue straight: From Jamison Lookout, this walk follows the footpath, keeping the road and picnic area to the right. The path passes a sign pointing back 'To walking tracks' and comes to a small picnic area. The walk heads through this small picnic area to follows the 'Den Fenella Lookout' sign down the hill. The track soon starts to zigzag and passes a lookout, with distant views filtered through the surrounding trees (avoid the track to the left near the lookout). As the track continues down, it passes through temperate rainforest and then bends left to travel parallel

with Den Fenella Creek. The track soon leads to an intersection just before a bridge, with a sign pointing back up to 'Wentworth Falls Picnic Area'.

### **0.7 | Int of Den Fenella and Undercliff Tracks**

*(80 m 4 mins)* Turn right: From the intersection, this walk crosses over Den Fenella Creek using the bridge and comes to an intersection at the 'Den Fenella' sign.

Veer left: From the intersection, this walk follows the 'Den Fenella' sign along the lower track, keeping the creek to the left. The track soon begins to go down very steeply (can be slippery) between the handrails and rock wall. The track then crosses the creek at the stepping stones below the cascades (the creek may be impassable after rain). On the other side of the creek, the walk heads down the steps to come to a bridge below the bigger Den Fenella Fall. From the Den Fenella Fall, this walk crosses the metal bridge and continues along the cliff edge along the fence-lined track. After heading down some steps, the track ends at a fenced point with great views across the valley.

### **0.78 | Den Fenella Lookout**

The Den Fenella Lookout is a small fenced lookout on a cliff ledge, near where Den Fenella Creek falls into the Jamison Valley. The lookout is at the end of the track and has a tall cliff above and below. There is a small tree on the ledge adding to the sense of depth. From here, there are great views to Mount Solitary (middle), Kings Tableland (left), Narrow Neck Plateau (far right) and Sublime Point (right). This is a great spot, well worth a visit.

### **0.78 | Den Fenella Lookout**

*(70 m 4 mins)* Turn around: From the lookout, this walk heads along the track (keeping the valley views to the right), soon crossing the bridge in front of Den Fenella Fall. From Den Fenella Falls, this walk heads up the stone-cut steps, crossing the creek above the same falls using the stepping stones (the creek may be impassable after rain). On the other side of the creek, the walk continues up the stairs, passing another cascade. The track soon flattens out and follows the creek, coming to an intersection just before the footbridge and a sign pointing back to 'Den Fenella'.

### **0.86 | Int of Overcliff and Denfenella Lookout Track**

*(10 m )* Veer right: From the intersection, this walk crosses over Den Fenella Creek using the bridge and comes to an intersection with the 'Undercliff Walk'.

### **0.87 | Int of Den Fenella and Undercliff Tracks**

*(560 m 16 mins)* Turn right: From the intersection, this walk follows the 'Undercliff Walk' sign, initially following the creek on the right, downstream. The track heads up a small set of steps and then tends left (revealing valley views on the right). Soon after passing a rock wall (on the left), the track goes through a muddy section and continues, passing some more large boulders. Soon the track passes another great rock wall (on the left) with fantastic valley views and an old wire fence. The walk then crosses a small metal bridge and comes to an overhang with a constructed stone wall. From this overhang, the walk continues around the valley to soon come to a fenced (unnamed) lookout with great views. From the lookout, this walk heads back into the bush, across a small metal bridge and then soon comes to a three-way intersection with 'Princes Rock' track on the left (and a sign pointing back to the 'Valley of the Waters').

Turn sharp left: From the intersection, this walk follows the 'Princes Rock' sign up the steps, away from the Undercliff Walk. This track climbs up, passing by a great fenced view over to Mt Solitary and the valley to the

right. Soon, the walk comes to an intersection, with a sign pointing back to the 'Undercliff Track 100m'.

Turn right: From the intersection, this walk heads downhill following the 'Princes Rock Lookout 200m' sign along the wide track. Very soon, the walk comes to an intersection with another track (on the left - which was closed at time of writing).

Continue straight: From the intersection, the walk heads down the gentle hill towards the cliffs and the fenced (unsignposted) Princes Rock Lookout.

### **1.42 | Princes Rock**

Princes Rock is a great fenced lookout, to the west of Wentworth Falls. There are extensive views into the Jamison Valley below. The lookout has an excellent view of Wentworth Falls, cascading over the cliffs opposite.

### **1.42 | Princes Rock**

*(260 m 9 mins)* Turn around: From the lookout, the walk heads away from the view for a short time to an intersection (with a track on the right - which was closed at time of writing).

Continue straight: From the intersection, this walk heads up the hill along the clear track for a short distance before coming to an intersection, with a sign pointing back to 'Princes Rock Lookout 200m'.

Continue straight: From the intersection, this walk heads up the steps away from 'Princes Rock Lookout'. The track soon heads across a large rock platform with steps carved in it and then, following the track back into the bush, the walk passes an old drinking trough (not suitable for drinking). After heading up more log steps, the track comes to a three-way intersection, with a small sign pointing back to 'Princes Rock Lookout'.

Turn right: From the intersection, this walk follows the 'Wentworth Falls Lookout' arrow up the steps as the track bends right. The track soon passes an old water trough on the left (not suitable for drinking). Soon after this, the track comes to Wentworth Falls Lookout (next to Sir H. Burrell Drive).
