

Browns Waterhole Track

30 mins

Moderate track

3

1.3 km One way

▲ 49m

This is a short walk down into the Lane Cove Valley, crossing the Lane Cove River, and out the other side. The entire track is concrete, making it a favourite trail for bike riders taking the short cut from Turramurra to Macquarie University. There are picnic tables at Browns Water Hole.

0 | End of Kissing Pt Rd, Turrumurra

(320 m 7 mins) From the end of Kissing Point Rd, the track heads down the asphalt management trail. The track heads down the hill passing several houses and comes to an intersection with a track going off to the left at the 'Walking and Service Trails in the Lane Cove Valley' sign.

0.32 | Int of GNW and Kissing Point Road trail

(260 m 5 mins) Continue straight: From the intersection, this walk follows the GNW arrow post downhill along the wide, shared, concrete path. After about 50m, this path leads under some high tension power lines then bends right. About 50m after passing under the power lines, this path leads to an intersection with a track (on your left, that leads to an informal unfenced lookout), just before a GNW arrow post.

Continue straight: From the intersection, the walk heads fairly steeply downhill along the concrete path. The path passes a few signs over about 100m, then comes to an intersection with a track (on your left), marked with a timber barricade and a GNW arrow post.

Veer right: From the intersection, this follows the concrete path downhill for just shy of 50m to come to a intersection with a dirt management trail. This intersection is beside the Lane Cove River crossing (on your left) and is marked with a 'The Great North Walk' sign here.

0.58 | Browns Waterhole int

(90 m 2 mins) Turn left: From the intersection, this walk

crosses the the causeway of Browns Waterhole. (Caution is needed during and after rain, may become impassable) From here the track continues up the hill on the other side until reaching a small picnic area signposted as 'Browns Waterhole'.

0.67 | Browns Waterhole

Browns Waterhole is a wide, shallow section of the Lane Cove River, downstream of a concrete weir. There is a concrete shared cycle/footpath crossing over the top of the weir, linking Kissing Point Road, South Turrumurra to Vimiera Rd, Macquarie Park. On the western side of the waterhole, there is a picnic table and small clearing with a view over this section of the river.

0.67 | Browns Waterhole

(40 m 1 mins) Continue straight: From Browns Waterhole, at the picnic tables, this walk follows the concrete management trail away from the river, up the gentle hill until reaching the large green 'Terry's Creek Walking Track' sign.

0.71 | Int of Terry's Creek Walking Track and Brown's Wat

(630 m 14 mins) Continue straight: From the intersection, this walk heads south up the concrete track. The track soon starts to zigzag up the side of the valley and past a 'Lane Cove National Park' sign, just before the tunnel under the M2. The track the heads through the tunnel and follows the foot path to the end of Vimiera Road, Epping.
