*(410 m 9 mins)* From the bend in Elouera Rd (beside 49 Elouera Rd), the walk follows the 'Great North Walk' arrow, passing around a gate and down the driveway. At the fenced off old building, the walk follows the red 'Great North Walk' track marker to the left, onto the bush track, keeping the fenced area on the right. The walk bends to the left again at the end of the fenced area (marked with another red GNW marker) and follows the bush track until reaching an intersection, with the main Great North Walk, at the top of a fenced lookout point.

### **0.41 | Elouera Lookout**

This fenced lookout is on the Benowie Track close to Westleigh. There are uninterrupted views from the clifftop across the Berowra Creek valley, which is rare for the area. As well as being on the Great North Walk, this lookout can be accessed by a short walk from Elouera Rd, Westleigh. This section of fenced rock platform is about 100m long, and there is some limited shade from the casuarina near the lookout if you want to take a rest.
