Scenic World is one of the most renowned tourist attractions of Katoomba and the Blue Mountains. Located on the cliffs of the Jamison Valley, visitors can enjoy a ride on the Scenic Railway (the world's steepest incline railway) or the Scenic Cableway, into the Jamison Valley, and explore the Scenic Walkway from the base. Alternatively, the Scenic Skyway offers a bird's eye view over the valley, with a glass floor to enhance the experience. Scenic World also features a revolving restaurant, a cafe and a kiosk, in addition to the documentary theatre and souvenir shop. Rides can be purchased, starting from \$16 for adults and \$10 for children, and combination or family passes are available. [More info.](#)

The lookout was considered one of the finest views on the Three Sisters in the 1900's. The lookout was named after Chester Melvin Vaniman in 1905, a well-know adventurer and artist from the USA, who visited the Blue Mountains in 1903. [More info.](#)

The Katoomba Falls are among the most famous waterfalls in the the Blue Mountains region. The Kedumba River falls about 150 meters in 2 main stages. The Undercliff Track, from the Furber Steps, can be used to access the first landing of the waterfall. The Katoomba Falls can be viewed from most lookouts in the the area, including from the bottom of the falls at Cooks Landing on Federal Pass, or from the track running next to the Kedumba River at the top of the falls. These falls are also a highlight for the trip across the Scenic Skyway.
