(100 m 2 mins) On the side of the car park where the road leads up the hill, this walk follows track around the cliff tops, keeping the small bay below on the left. The track heads around the small hill (above on the right), leading to a point on the white rock which overlooks the sea and surrounding coast.

0.1 | White Rock

White Rock, Bournda National Park, as the name suggests, is an area of white coloured rocks, south of Tathra. The rocks form the headland with spectacular views of the coastline both to the North and South, and across the South Pacific Ocean. White Rock car park is backed by an old quarry, which formed the amphitheatre of rock behind it. White Rock can be accessed by White Rock Rd, off the Snowy Mountains Highway.
